Mr Brady Johnson  
1321 Church St.  
Norfolk Va.

Dear Brady:

I am writing to confirm the dates for The Eagles and The Grays to play in Virginia.

We are going to stop in Richmond Monday Sept. 9th on our way down, and Saturday Sept. 14th on our way back. This will break the jump for both of us as we are playing a very important league double-header in Baltimore with The Elites on the 15th, and The Grays are playing The Cubans in Washington the same day. We both want to be in as good a shape as possible.

I told you The Grays are playing in a big promotion in Washington Thursday the 12th, so I am working on a game in Durham or Greensboro with the southern champs Ashville Blues. I am taking care of this from here.

This means we will be able to play The Grays in your parks of Norfolk, Portsmouth or Newport News on the 10th, 11th, and 13th.

You get in touch with Mike directly about the placards as I do not know what parks we will be in on what dates. He will not be able to work on cards until after Labor Day anyway. When do you think you will know what parks we can be in? I will appreciate you letting me know this as soon as you can. You can understand me wanting to know this.

I am sure the trip will be alright, and if it is good enough it will make all the teams anxious to come back next year. Let me hear from you soon.

Very Truly
